# Placement and Career Support

Innomatics Research Labs — RAG Knowledge Base

## Placement assistance

The institute describes dedicated placement support including job assistance, resume building, technical/HR mock interviews, communication training and career guidance.

## Industry connections

The current homepage states that the institute works with 100+ companies and highlights 650+ hiring partners.

## Career preparation

- Resume preparation
- Technical and HR mock interviews
- Mentoring and career guidance
- Job-oriented practical training

## Important disclaimer

The official Terms and Conditions explicitly state that Innomatics Research Labs does not take any placement guarantee.

## RAG rule

Never convert placement assistance into a guaranteed job, salary or placement percentage unless a current official source explicitly states such a figure.
