Important Policies and Terms

Innomatics Research Labs — RAG Knowledge Base

Fee default

The Terms and Conditions state that fee default can result in denial of further classes and placement opportunities and loss of access to the described institute ecosystem.

Changes

The institute reserves the right to change curriculum, schedule and trainers.

Certificate

Certificate issuance is subject to the stated attendance, task/project, participation and conduct requirements.

Placement

The Terms and Conditions state that the institute does not take any placement guarantee.

RAG rule

Policy questions should be answered only from the official policy; the chatbot should not invent exceptions or legal interpretations.
